Dear Pre Prep Parents

Welcome back to the second half of our term two. We hope you have all had a great holiday and enjoyed the World Cup Soccer!

### **Tuck Orders**

Please can we remind parents that tuck orders for Friday need to be in on the Thursday before.

### **Safety & Security**

We make reference to the recent email sent out regarding the new system implemented for children being taken off the premises before normal closing times. Please ensure that you have read this mail and are aware of how this new system works.

In short – whenever you take your child out of school early, you will require a RED SLIP from the office which the guard will ask you for at the gate. If you have any questions please ask Kirsty. Slips will be obtained from the Pre Prep office and need to be signed off by Kirsty or myself.

### **Moms in Touch – Double your Dinner Campaign 27 July**

Our “Moms in Touch” group are asking all mums willing to assist, to please donate a meal that can be frozen to use for any family in our school who face illness or any other crisis in their lives. Moms in Touch will have a table outside the office on the morning of Tuesday 27<sup>th</sup> July between 07h30 and 08h30 where you can collect a container with a label, and if you would be so kind as to double your dinner that night and return the container to us the next morning, we would be most appreciative. Alternatively if anyone would like to donate a ready cooked meal from Woolies or anywhere else we would also be so grateful. Meals are the most helpful way that we as a community can reach out to someone amongst us in need. At the same time, please let us know if you do know of anyone in need at this time so that we can help them.

If you need any further information please contact Michelle Johnson 0837896304, Debbie Hayward 0845815633 or Mignon Van Stelten 0823384507.

### **Rugga Kids**

We have been approached by Rugga Kids who run an extra mural sporting programme. This is a programme offered to children between the ages of 3-8 years at both Pre and Primary levels. It concentrates on rugby-based, physical and motor-skill development. They will be holding a demonstration class next week Tuesday for all to attend on the 20<sup>th</sup> July – Grades 000,00 and Grade R's will be at 12h45 on the Riverview Field. Flyers have been placed in your pigeon holes, but if you need any further information please ask Kirsty. We will confirm the lesson times after the demonstration next week, but it will run on a Tuesday.

We look forward to a happy and productive six weeks of this term.

Regards,

Glynis Courtney

Head Pre Preparatory
