got to do with it?

**Dinner  
Invitation**

Let's talk.

## Got questions about life, God, the church or Christianity?

We Invite you to the **Alpha Course**, a relaxed, low key, friendly and fun opportunity for anyone to explore the Christian faith.

### What happens on the course?

The course consists of a series of nine Wednesday evenings. Dinner is served, you watch a DVD, and get to discuss the content with groups of like-minded people. Also included in the programme is a Friday evening / Saturday morning get-together.

### How do I join?

Come along to the obligation free **Introductory Dinner Wednesday, 8 Sept '10 @ 18:45.** Decide at the end of the evening if you would like to attend the course.

### What will it cost?

The introductory dinner is on us. If you decide to register, the total course cost is R400 per person, with sponsorship available if needed. This contributes towards costs for dinner, the course materials as well as the get-together.
