COLLEGE

AFTERCARE 2010

The Aftercare will be open from the first to the second last day of each term. There will be aftercare available on the last day of the term until 14h30 but the children must bring their own lunch on that day.

The College provides an aftercare programme for Preparatory and Pre-Preparatory children during the school term. Pupils are required to register for the year, but can give notice at the end of each term if they don't wish to make use of Aftercare in the following term. The termly charge for Aftercare will be billed over three months, and accounts will be debited on 1st February, March, April (1st term), 1st May, June, July (2nd term) and 1st Sep, Oct, Nov (3rd term).
