Dear Parents

Experience HBC DAY 2010: Friday, 26 March

Thank you for the interest you have shown in HeronBridge College. We are very proud of our school and hope that you will come to know it as we do. This year we are celebrating our 10th year of excellence in education.

For your info, our school is founded on Christian principles and aims to provide an education of the highest quality, developing each child academically, socially, emotionally and spiritually. A favourable teacher to learner ratio ensures the fundamental ethos of care and concern for the individual. Solid foundations for life are laid through an active Life Orientation programme that seeks to be relevant to young people today. Our motto, Ad Integritatem, means towards integrity and it is this value that underscores HeronBridge College's efforts at every level.

We are aware of the very difficult decision you need to make soon: choosing a high school for your child. We are also aware that there are many outstanding schools out there, all offering wonderful opportunities for you and your child. We would thus like to extend an invitation to you and your child to visit us for the day. This will afford you the opportunity to get to know us, see what we stand for and view all we have to offer.

On this day, we plan to expose your child to the full HeronBridge College Experience. This will involve him / her attending classes and seeing for themselves the many exciting happenings at our school – watch them enthuse about their DIGI School Experience! They will be treated to a meal at our canteen, enjoy a councillors assembly, and even get a chance to try out their sporting skills against our current Grade 8's.

Your child's day will begin with **registration at 08h30 (please don't be late)**. Thereafter the days programme will include:

- Class Room Experience
- 2 visits to the College Canteen. At the first break visit a light snack will be provided; and at the second break another light snack with refreshment.(Advisable to send along cash for any extra canteen requirements, your child may want)
- College Assembly
- Talk and Presentation on what to expect: The High School Years
- Co-Curricular opportunities (both sports and cultural events)

Parents are invited to a tour of our campus starting at 14h00. Thereafter, at 15h00, parents and pupils may attend an address by Mr Dave Klein – Head of the College. Parents are encouraged to attend this talk. There will be a question and answer session after the talk. Once this session is over parents may take their children home.

Dress Code: All pupils will be given an **Experience HBC DAY 2010 T-shirt** at registration. This is to *identify* our visitors on this day. Pupils are therefore asked to come dressed in clothing that will accommodate this shirt. Pupils are also asked to please pack items relevant to the sporting disciplines they will be participating in (see booking form below.) Neat jeans & comfortable shoes will suffice (suggestion girls not to wear skirts, as they may feel uncomfortable to participate in the physical activities planned).

To secure your child's place at the **Experience HBC DAY 2010** please complete the attached form and return to us by the **Friday 19 March**. Space is limited and will be offered on a first come first serve basis.

We look forward to seeing you at **Experience HBC DAY 2010**.

Warm regards

The HeronBridge Marketing Team
