### Message for the Week

But those who wait on the LORD shall renew their strength; They shall mount up with wings like eagles, They shall run and not be weary, They shall walk and not faint.

### YET ANOTHER SUCCESSFUL GOLF DAY!

This past Friday we held our annual PTA / HeronBridge Golf Day at the Gardener Ross Golf Course. What a success this day was. All the golfers had a ball; the food was delicious and some *lucky (exceptional ?)* golfers won superb prizes. A big **THANK YOU** must go to our two PTA ladies - Caron Cloete and Tish Dowling - for all their hard work in putting this fabulous day together. Thank you also to the Annandale's, Jaco and Engela, who gave so much of their time and

knowledge to ensure we *did it right!* And lastly to all the hole, cart and prize sponsors - thank you, thank you, thank you! Until next year!

### Understand Your Child

Is your child between the ages of 3-18?  
 Are you able to identify your child's strengths and weaknesses?  
 Do you understand your child's behaviour?  
 What is their reaction to problems or stressful situations?  
 Does your child sleep well?  
 Does your child put a lot of pressure on him/herself?  
 Is your child very sensitive to noise and body language?  
 How does your child deal with conflict?  
 Identify possible learning problems.  
 Does your child seem overly active at times?

A brain profile will help you as a parent to understand your child. It gives you the tools you need to understand your child better so that you are able to guide them in their strengths and weaknesses.

To answer the above questions and many more contact me for an assessment.

## TO FEEDBACK ON ARBOR WEEK

Arbor week was celebrated by all three schools. It is tradition for the Grade 8 classes to each plant a tree. The Grade 3 pupils planted one new tree in the Grade One playground – they taught the whole school about the importance of trees and gave interesting information about their new tree at an assembly. The Pre-prep decided to plant a fairy garden with flowers and seeds and every Grade R class had a section to plant in. Everyday the children water the plants and trees with their watering cans.

REMEMBER: To recycle your paper. The money raised from this initiative is being saved and will go towards purchasing trees in 2010 so we can give back to the earth.

Please take note!

### Dates to diarize:

Compulsory 2010 Registration date:

## HERONBRIDGE COLLEGE DEBATING STAR!

Farai Mubaiwa (9B) received her Gauteng colours for debating last week end and will be off to Cape Town for the National Championships in December. Well Done Farai.

### St Peter's Festival

HeronBridge competed in the St Peter's Debating Festival last Friday. Both juniors and seniors were undefeated in the preliminary rounds, but sadly both teams lost in the finals. A special congratulation goes to Farai Mubawi who was runner-up best junior speaker and to Kaitlyn Churchyard who was the best speaker of the tournament.

Thanks to the Gr 9 girls who did such a good job of participating on the floor- well done.

### Junior SACEE

Last Saturday the junior debating team debated in rounds three and four of the SACEE league. They won both their debates and ranked number 1 in the Gauteng West League. They now go on to compete in the Gauteng championships over the long weekend. Congratulations to Farai Mubawi who was awarded best speaker in both debates and ranked the top speaker in the league.

## GRADE 2 OUTING TO MONTE CASINO

On Tuesday 20<sup>th</sup> October the Grade 2's travelled to Monte Casino to view the fearsome creatures as part of their mini beast theme. The wide and varied displays of amphibians, reptiles and arachnids were amazing. The pupils witness first hand the beauty and magnificence of these amazing creatures. From the tiny, brightly coloured poison arrow frogs to the large scaly pythons and Boa Constrictors. The pupils also loved the Lemma Monkey's from Madagascar who were very interested in the Grade Two's from HeronBridge. They performed great leaps and jumps to the delight of the pupils. Not to be outdone were the birds and our National Bird serenaded us for a while, his loud call drowning out the guide and everyone else. The highlight of the outing was the Bird Show where the silence, agility and swiftness of the birds held the pupils captivated. All returned with a greater understanding of our environment, how fragile it is and our role in it.

Eliot Jolly, Jarrod Pretorius and Scott McGill feeding the Lorequeets!

Mrs Veldman and her class feeding the birds nectar.
